LUNCHEONS

Comments from members: "The best luncheons I have ever attended," "No way you could put more into a luncheon," "Your luncheons were perfect and I predict you will have an attendance of 1000 when you begin the fall series."

So that our Nobles may remember the dates easily and get the benefits of these gatherings, we have selected the fourth Tuesday of each month, September 22, October 27, November 24, December 22, etc., up to and including June 23.

These luncheons will be held in the Ballroom of the COPLEY PLAZA HOTEL at 12:30 o'clock and the price will be only \$1.25, as heretofore. Attend once and you will become a regular. Good food, good entertainment, good speeches, good fellowship. The purpose of these luncheons is "To make our Nobles better acquainted."

All members of Aleppo Temple, visiting Shriners and guests who may be prospective Shriners are always welcome and cordially invited to participate in these vigorous and enthusiastic meetings.

Potentate's Message

I sincerely hope you will attend the Basket Picnic. This new Aleppo Get-Together feature is to be tried out for your enjoyment and pleasure with the sincere hope that all will have a happy day and become better acquainted. Bring your wife, mother, sisters cousins and your aunts, and all of your kiddies,—if you haven't enough kiddies to fill up your car or truck, borrow some from your neighbors. Remember no charge for anything! All the amusements, Moxie, Pureoxia tonics, and ice cream free,—a real Aleppo Get-Together Day.

We may all feel justly proud of the splendid showing of Aleppo Temple made at our May Ceremonial in honor of our Imperial Potentate Esten A. Fletcher.

Our Illustrious Guest, Visiting Potentates and other distinguished visitors were deeply impressed with the showing and the cordial reception accorded them, and I am sure carried away with them pleasant memories of Aleppo Temple.

I want to express to all the Nobles who attended, my sincere appreciation for the splendid manner in which you conducted yourselves during the entire evening. Without your respectful attention, especially during the first section, it would have been extremely difficult to have given the obligation.

I am deeply grateful to the officers of the Divan and all of the Uniformed Units who worked so hard {not withstanding the extremely hot night} to make this meeting such an outstanding success.

Our Shrine Get-Together Luncheons have been an unqualified success. This is due to the loyal support given to me, not only by the committee, but by the Nobles and their friends who have attended them. It has been decided to make them a permanent feature, and they will be held at the Copley Plaza on the fourth Tuesday of each month beginning September 22.

Our first Aleppo Get-Together Golf Tournament was held at Sandy Burr, Wayland, June 2, and it was a huge success. It was largely attended, and a splendid time was enjoyed by all and I deeply appreciate the excellent efforts of the committee. The next tournament will be held at the same place on Thursday, July 23. Come out and get acquainted with a lot of good fellows and have a real day of sport.

Nobles, let me impress upon you that only by your support in getting candidates can YOUR Temple function to its full capacity. Therefore, it is right up to you to do your part, so that your officers can give you the ceremonials and the social activities that you want. Don't depend on the other fellow! Do it yourself; it is imperative we must have candidates. This is the opportune time to get the timid and nervous into our fold, as there will not be any initiation. The obligation will be conferred in short form.

Sincerely Yours in the Faith,

Noy A. Faye Potentate

This is the time to join the Shrine,
While the huskies are away.
The sands are cold and the Arabs bold
Will not be there that day.
If they have loved ones dear,
And are obsessed with fear
And afraid their time will come,
Assure them now they can take the
vow,
But the Nobles will miss the fun.
